Increase is a financial technology company, not an FDIC-insured depository institution. Banking services are provided by First Internet Bank of Indiana, Member FDIC. Subject to the terms of the applicable ICS Deposit Placement Agreement, First Internet Bank of Indiana will place deposits at FDIC-insured institutions through IntraFi's ICS service. A list identifying IntraFi network banks appears at <https://www.intrafi.com/network-banks>. Certain conditions must be satisfied for "pass-through" FDIC deposit insurance coverage to apply. To meet the conditions for pass-through FDIC deposit insurance, deposit accounts at FDIC-insured banks in IntraFi's network that hold deposits placed using an IntraFi service are titled, and deposit account records are maintained, in accordance with FDIC regulations for pass-through coverage.

All bank accounts are held with Increase's partner, First Internet Bank of Indiana, member FDIC.
